"SW Missouri/NW Arkansas Club Car Distributor Earns Elite Status for 2nd Consecutive Year"

Springfield, MO and Rogers, AR- There's a winner's mentality that runs deep at Clear Creek Vehicles. For more twenty-two years this team has been serving customers throughout Missouri and Arkansas. Their attentiveness to exceptional performance and service has been recognized numerous times.

As a Club Car Distributor they were recently awarded "Black and Gold Elite" status for the second year in a row. Clear Creek Vehicles is one of the top ten Club Car Distributors in North America, and they are one of only three Club Car Distributors who have earned 'Elite' status two years in a row. This distinct recognition speaks to Clear Creek's ability to produce fleet, commercial, and retail sales and then follow that up with first-class service and support. "This award truly measures everything we do and we have to perform exceptionally in each category to earn this distinction." *Brian Cheever, General Manager*. Clear Creek Vehicles is dedicated to building relationships with their customers and this honor demonstrates that commitment.
